To the extent that things can wait, they can just wait. Like before, I'm open to your input on the week's coverage, but based on where we left things, I'd say let's have Karen start the week off as Acting Branch Chief. If you want to hand-off mid-week, that's fine with me. Just let me know and I'll let Dan/Angela know.

Here are things I'm tracking and owning at this point. They're the things on my to-do list for the upcoming week. Again, you don't have to handle, but you should be aware and anticipate potential inquiry.

- 4) Lower Umatilla Basin GWMA Petition: We were scheduled to brief the DRA and RA on Tuesday, and then meet with the DOH, DEQ and Oregon Dept of Agriculture on Wednesday. Jeff Kenknight, Tony Barber and Peter Contreras can carry on. I have provided lots of input, and if they go ahead with the meeting, that will be good. Karen, you may just want to find out if they do go ahead. (Jeff said he'd call me on Monday, so I'll let you know if there's anything notable. Otherwise, I'll point Jeff towards Karen for the LUB GWMA.
